They say it's off the record gotta keep it clean
Can't be too abusive be too obscene
But he's got a plan to build a future
He's been putting it off for way too long
Another safety pin put though his cheek
and he's three cords short of a punk rock song

(chours)

Wicked is as wicked does he'll fight it till the end
He'll show his finger than say: I'm a wicked one(X3)
I'M A WICKED ONE!

He's a sterotype bastard and he likes it that way
Can't be all that happy can't be all that gay

(chours)

They say get off the stage they say get outta here
Can't be all thet punkrock can't be all that queer
He'll make them wish they never knew him he'll make
them pay for being wrong
But he doesnt reaky know how to do that
So we'll give him three chords to his punkrock song

(chours)
