Buck please! ??

I'f you'd like to stay awhile, ?? tell you
?? got better things to do
you make me scared, ringing in my ears
??

You've got to let me go yeah
You've got to let me go yeah
??
I wanna lose it, but it won't go away mom

?? you're making fun of me
??

You've got to let me go yeah
You've got to let me go yeah
??
I wanna lose it, but it won't go away

You've got to let me go yeah
You've got to let me go yeah
??
I wanna lose it, but it won't go away mom
