I wonder if I am strong
Strong enough to be wrong
Strong enough to be the one I am
Oh yeah yeah yeah

IÃ, 've got my place in the sun
But what I need is the one
The one who takes me to higher love
Oh yeah yeah yeah

IÃ, 'm a family man
ThatÃ, 's what I am

Solo

IÃ, 'm a family man
ThatÃ, 's what I am

IÃ, 've been searching for you
To make my dream come true
I know youÃ, 'll take me away from here
Oh yeah yeah yeah

I wonder if I am strong
Strong enough to be wrong
Strong enough to be the one for you
Oh yeah yeah yeah

IÃ, 'm a family man
ThatÃ, 's what I am

IÃ, 'm a family man
IÃ, 'm a family man
IÃ, 'm a family man
IÃ, 'm a family man
