"SET ME FREE"

You know, sometimes it's so hard to accept
The kind of life I am living with death
I wish it was like the snow and the rain
Falling down again and again

Set me free!
Set me free!

I've been around for some time as you know
But I can't find my place in the show
Sometimes it feels like I'm wasting my time
Sometimes it feels like I'm losing my mind

Set me free!
Set me free!
Set me free...

I don't know if I'm doing this right
I don't know if I get this on time
All I now is I'm losing my mind

Set me free, set me free
Set me free, set me free

But I believe I will figure it out
What's up and down, what it is all about
But until then I will feel like a bird
With broken wings searching the word

Solo

I've been around for some time as you know
But I can't find my place in the show
Sometimes it feels like I'm wasting my time
Sometimes it feels like I'm losing my mind

Set me free!
Set me free!
Set me free...

I don't know if I'm doing this right

I don't know if I get this on time
All I now is I'm loosing my mind

Set me free, set me free
Set me free, set me free
