Why didn't she love me?
Why didn't she care?
When I think of her wedding
I only wanna cry

When I think of the ocean
I'm thinking of her blue eyes
When I think of her wedding
I only wanna cry

Why did she go away and leave me on my own
When I think of her wedding
I only wanna cry

Solo

How could she go away and leave me on my own
How could she go away and leave me on my own
When I think of her wedding
I only wanna cry

When I think of the sunshine
I'm thinking of her eyes
When I think of her wedding
I only wanna cry

When I think of the ocean
I see her blue eyes
When I think of her wedding
I only wanna cry

How could she go away and leave me on my own
How could she go away and leave me all alone
When I think of her wedding
I only wanna cry

Solo

Hmm, hmm, hmm, hmm
When I think of her wedding
I only wanna cry

When I think of her wedding
I only wanna cry
