He's got a house made of glass  
Got his own swimming pool (what a gas)  
We've got a one-room shack  
Five by six by the railroad track

[CHORUS]

(Well) what about us, what about us  
Don't wanna cause no fuss  
But what about us

He's with a beautiful chick  
Every night of the week (pretty slick)  
We're two poor hung up souls  
Girls won't touch with ten foot poles

[Repeat CHORUS]

He goes to eat at the Ritz  
Big steaks (that's the breaks)  
We eat our hominy grits  
From a bag (what a drag)

He's got a car made of suede  
With a black leather top (got it made)  
If we go out on dates  
We go in a box on our roller skates

[Repeat CHORUS]

He goes to eat at the Ritz  
Big steaks (that's the breaks)  
We eat our hominy grits  
From a bag (what a drag)

He's got a car made of suede  
With a black leather top (got it made)  
If we go out on dates  
We go in a box on our roller skates

[Repeat CHORUS]

What about us, what about us...
