Oh what a way to go, we're goin' down slow  
We're movin' to the rhythm, we're letting it flow  
We're steppin' out of time, it's freaking your mind  
We're livin' in the body, and we're doin' just fine

Chorus:

Tell me, tell me that you love me  
Tell me, where's you milk and honey  
You know we're doin' alright

Well round and round we go, we're goin' down slow  
We're shakin' to the rhythm, we're letting it flow  
We're not afraid of time, it imprisons your mind  
We're livin' in the body, and we're doin' just fine

Repeat Chorus Twice

I'm not afraid of nothing, I'm not afraid to cry  
I'm not afraid to live, I'm not afraid to love, I'm not  
afraid to die  
I'm not afraid of laughter, I'm not afraid of tears  
I'm not afraid to look, I'm not afraid to learn, I'm not  
afraid to hear  
I'm not afraid of darkness, I'm not afraid of night  
I'm not afraid to win, I'm not afraid to lose, I'm not  
afraid to fight  
I'm not afraid of anger, I'm not afraid of war  
I'm not afraid to live, I'm not afraid to die, I'm not  
afraid at all  
'Cause it's a time for singing, and it's a time to dance  
And it's a time to run, and it's a time to jump, and it's a  
time to chance  
And it's a time for giving, and it's a time to share  
And it's a time to choose, and it's a time to do, and it's  
a time to dare
