Please don't turn me away, please don't leave me
alone

Oh I'm not asking for paradise, I just got to find me a
home

I said land-ho, will I be sailing forever

Oh-oh I gotta find some shelter from the cold

Land-ho, will I be searching forever

Oh-oh I gotta find an anchor for my soul

Well you may think I'm a fool, and think I'm running
away

But I've had enough of the city lights, oh I've got no
reason to stay

I said land-ho, will I be sailing forever

Oh-oh I need some wind to help me to my goal

Land-ho, will I be searching forever

Oh-oh, I gotta find an anchor for my soul

When you're alone there's not a sail in sight

Oh it's cold and dark and there's no one there to see
you through the night

There once was a lady made me feel alright

But she couldn't stay so one lonely day, she just sailed
away

And took away my life

Maybe I'll always be sad, and maybe there'll always be

strife

Drifting alone with a saddened tone, afloat on the
ocean of life

I said land-ho, will I be sailing forever

Oh-oh sometimes I feel my ship is getting old

Land-ho, will I be dreaming forever

Oh-oh I gotta find an anchor for my soul

Will I be sailing forever
