Whenever you need, need something, I'm always
there, standing near
like a piece of tape or a three year warranty walk over
to me

A life time guaranty walk over to me
I'm the Elmer's glue when you're coming apart
I'm the three new batteries when you're half worn out
I'm the paper clip that keeps us together

I'm your junkdrawer look inside of me
A three year warranty walk over to me
A life time guaranty, I'm your junkdrawer look inside of
me

I'm not your china cup, I'm not your spit-shine silver
But I'm doing my best, I'm doing my best to delivery
I'm not the crystal sittin' way up here on the shelf
I'm down here just speakin for myself... I'm in love

I'm your junkdrawer look inside of me
A three year warranty walk over to me
A life time guaranty, I'm your junkdrawer look inside of
me

I'm the safety pin that holds your youth
I'm the numbing gel for your broken tooth
the tangled jewelry when we have a fight
I'm the girlie playing cards that you play all night

I'm your junkdrawer look inside of me
A three year warranty walk over to me
A life time guaranty, I'm your junkdrawer look inside of
me

I'm not your china cup, I'm not your spit-shined silver
But I'm doing my best, I'm doing my best to deliver
I'm not the crystal sittin' way up here on the shelf
I'm down here just speakin for myself... I'm in love
