Boy, how would you like me to be?
Lunch with moms or down on my knees
I can be your fantasy
So, all together, birds of a feather,
won't you whisper your pleasures in my ear...

tell me the things you want
tell me the things you need
tell me the things you want
and don't hold back now...

Tell me what you wanna tell me
don't tell me no
Tell me what you wanna tell me
don't tell me no

Boy, I gotta know
would you like to see me with
my cherry covered in cream
I can make you shiver and scream
so like Ritchie to Donna or Ike & Tina Turner
won't you whisper your "wannas" in my ear...

tell me the things you want
tell me the things you need
tell me the things you want
and don't hold back now...

Tell me what you wanna tell me
don't tell me no
Tell me what you wanna tell me
don't tell me no

You're the one I want I know
Got a chance to let it show
Somethin' 'bout you seems so true
I just want to get with you....

Tell me what you wanna tell me
don't tell me no
Tell me what you wanna tell me

don't tell me no
