#### Verse 1

I've given you chances  
I've given you a home  
I've given you food and drink  
Now I'm alone  
I've given you love  
I've given you tears  
I've given you everything I can  
That's why I'm here

#### Bridge

But you still, ya haven't explained  
Why you did all that, all that stuff to me  
I'm still here, still confused  
Now I know what it feels like to be used  
So

#### Chorus

You've got 2 minutes, 2 minutes to explain  
2 minutes to tell me why you gave me pain  
You've got 2 minutes, to tell me how  
You managed to hurt me like that, your 2 minutes start  
now
