The summer sun, sunsets the cityscape rise up
All the kids in the hall come together put your fists up
IãfÃ...Ã ã,Ã£I bring the mic if you bring the sound
system
WeãfÃ...Ã ã,Ã³e got all night to get lost in the
rhythm

The stage is set the dives a wreck
5 dollars at the door and it feels so perfect
Said all I know is that I donãfÃ...Ã ã,Ã° know nothing
WeãfÃ...Ã ã,Ã³e got all night so there aint no sense
in rushing

[Chorus:]
ItãfÃ...Ã ã,Ã¯ time (HEY!) our time (HEY!)
Our voice, our stage, our vision, our community
Alright (HEY!) tonight (HEY!)
The youth are waging war
DonãfÃ...Ã ã,Ã° you know weãfÃ...Ã ã,Ã®e gonna
win this fight
ItãfÃ...Ã ã,Ã¯ time (HEY!) our time (HEY!)
Our voice, our stage, our vision, our community
Alright (HEY!) tonight (HEY!)
Turn it up, turn it out, lets go!

This conscious flame burns so bright in our vision in
our sight
It illuminates, it radiates to rage against this dying light
ItãfÃ...Ã ã,Ã¯ in our veins pumping passion deep
into our soul
The missing link that finally made this puzzle whole

Oh now I know our visions clear
We are the voice of revolution infecting all who hear
See all we wanted was a place to call our own
And a chance to speak our minds so we donãfÃ...
Ã ã,Ã° have to feel alone

(Chorus)

YouãfÃ...Ã ã,Ã³e gotta stay alert,
gotta stay aware,

gotta stay involved,
Alert, Aware, Involved (6x)

(Chorus)
