Why do I feel so outside, looking in bruised and broken  
Battle scars I get knocked down  
Lick my wounds get up and stand in the line

[Chorus:]

We're all standing in a line, and  
it's never enough time  
When your two steps behind, you're  
always two steps behind

Cynical world with no commercials  
Breeding disguise of flamboyant lies  
Factory built with no guarantee  
Don't wanna buy this don't wanna  
wanna stand in their line  
(Chorus)

Don't want to, stand in your, don't want to stand in your  
line (2x)

This is the story of my life (4x)
