Stand forth man and show you discipline
Never forget who taught you how to do it
I never promised any dean skin, untarnished...
Forget that emptiness

Axes Granted!
Go on and crack some skulls!
Axes Granted!

Stain yourself with their innocent blood
Leave some scars and break on through
There's too much to lose for those fools
Never digest and never break apart

Axes Granted!
Go on and crack some skulls!
Axes Granted!

Axes Granted!
Go on and crack some skulls!
Axes Granted!

Throne of stone is what you call home
Wherever you're free to roam
you will guide, you will lead us
To a goddamn brave new world

Burn the bush and that's holy
Holy in the eyes of slaves
Heaven's kingdom, paradise lost
I think we now have a new host
Wake the beasts and rattlesnakes
To improve your skills as a battle lord
Never compromise, never be suprised
And show that you never lie!

Axes Granted!
Go on and crack some skulls!
Axes Granted!

Axes Granted!

Go on and crack some skulls!
Axes Granted!
