"MikÃ¤s tÃ¤s' on ollessa
ku kaik' on hyvvee ku helevetti!
MikÃ¤s tÃ¤s' on ollessa
ku kaik' on hyvvee ku helevetti!"

Time to raise a toast and pose
For those who chose
To radiate with us
Arms of steel, eyes of ice
Bodies to own and minds to break

By using machines we roll all over
With agonizing conception our coast is all clear
For mercy's not here
Exceptional fear
Illusional trust
It's all Good as Hell

Off we move to rule you too
Escape our shade
You're safe in no place
Bring your strength
And front our guns
Try to hide evade our might

By using machines we roll all over
With agonizing conception our coast is all clear
For mercy's not here
Exceptional fear
Illusional trust
It's all Good as Hell

[Solo]

By using machines we roll all over
With agonizing conception our coast is all clear
For mercy's not here
Exceptional fear
Illusional trust
It's all Good as Hell
It's all Good as Hell
