Taking all the blame
You know it never was too easy
Grew out from the past
Yet forever it stayed the same
Pride is my curse
'cos I'm feeding & I'm bleeding
All vanity away

Praise these wounds of sorrow
Inside the flames it's all the same
All this time I've wasted here
Inside the flames it stays the same
Oh, it stays the same

All of my nightmares
Have taken their form
Absolute fear
And nothing more here
Sleeping is not simple
When you're haunted by a plague
It'll rule & tear your body apart
You'll go down in quiet

Praise these wounds of sorrow
Inside the flames it's all the same
All this time I've wasted here
Inside the flames it stays the same
Oh, it stays the same

[Solo]

Praise these wounds of sorrow
Inside the flames it's all the same

Praise these wounds of sorrow
Inside the flames it's all the same
All this time I've wasted here
Inside the flames it stays the same

Praise these wounds
Praise these wounds
