If they made a movie about your life,  
I'd be the comic relief.  
And everything I would let you know  
And everything you take when you  
Come and go away.  
Our relationship, it was so brief.

I don't have the answers,  
but why'd you make the questions  
So hard? (your boyfriend card)

And two weeks later I met the boyfriend,  
and that's how I know our love's about to end.  
Two weeks later I met the boyfriend,  
and that's how I know our love's about to end.  
Thought that we could make it  
Then I met your boyfriend.  
That's how I know our love's about to end.  
Two weeks later I met the boyfriend,  
and that's how I know our love's about to end.

Hear ye! Hear ye!  
Listen to my plea... it's you and it's me.  
And something about you had to go.  
And what is that whistle that you blow away?  
I got pretty good eyes, but I still can't see.

I don't have the answers,  
but why'd you make the questions so hard?  
(your boyfriend card)

And two weeks later I met the boyfriend,  
and that's how I know our love's about to end.
