Be careful cause I'll only call if I'm insecure.
Left this invitation in a note, on your bedroom floor.
And instead of carefully waiting to lure you back.
All she needed I won't repeat it.

Unless you tie me up.
Whatever, whatever you say.
Unless you slap me around.
What exactly do u want?

We never grew up fast enough.
Keep your eyes on mine.
Don't listen to a word they say, a word they say.
Black as the day.

What a sucker cause I've fallen for this sixteen more
times.
Tried to entertain you with a song. Just sing along.
So sweet so sweet that it so hurts, beyond repair.
Fight for your right to be heard. Turn it up yeah, turn it
up.

Unless you tie me up.
Whatever, whatever you say.
Unless you slap me around.
What exactly do u want?

We never grew up fast enough.
Keep your eyes on mine.
Don't listen to a word they say, a word they say.
Black as the day.

Then the sun sets on my regrets.
Forever
Forever
Forever I'll come back to claim my prize,
but there's nobody where I left you alright.

We never grew up fast enough.
Keep your eyes on mine.
Don't listen to a word they say, a word they say.

Black as the day.

Woke up a nervous wreck.
Then I fell asleep in the back
but the band played on and I sat and took my notes.
Made them all read, dressed so cool.
