I don't wear shades,
The sun's always in my eyes.
But I'd rather not see than wear a
Fake disguise, oh no.

I don't write home
When I need a place to stay.
But my cardboard heart's about to
Blow itself away, oh no.

Here we go again,
Won't you sing-a-long my friend.
Here we go again,
Won't you sing-a-long my friend.

I don't make calls,
But I make a great date.
And if your daddy ain't home then
We won't have to wait, oh no.

I don't think twice,
When I'm staring at the sun.
But I know it takes two hearts to
Get the job done, oh no.

Here we go again,
Won't you sing-a-long my friend.
Here we go again,
Won't you sing-a-long my friend.

Well I don't have to figure out
Why all the others scream and shout,
And they all think they are so tough.
Well we don't wanna hear that stuff.
And I don't think it's such a crime
To sit and write some words that rhyme,
But I don't wanna waste your time at all.

I don't know why
You like this song.
But enjoy it while it lasts cuz' we

Can't stay long, oh no.

Here we go again,
Won't you sing-a-long my friend.
Here we go again,
Won't you sing-a-long my friend.
