COMES LOVE

Comes rain, put your rubber on your feed
Comes a snow, you can get a little heat
Comes love, nothing can be done

Comes a fire, you know what to do
Blow a tyre, buy another shoe
Comes love, nothing can be done

Don't try hiding, cause there isn't any use
You start sliding when you're heart turns on the juice
Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be done

Comes a heatwave, you can hurry to the shore
Comes a summons, you can hide behind the door
Comes love, nothing can be done

Comes the measles, you can quarantine the room
Comes love, nothing can be done
That all brother, if you've ever bin in love
That all brother, you know where I'm speaking of
Comes a nightmare, you can always stay awake
Comes depression, you may get another break
Comes love, nothing can be done
