Sherman / Lewis / Marqusee

It's like reaching for the moon  
It's like reaching for the sun  
It's like reaching for the stars  
Reaching for you

You're so far above me  
How can I expect than an angel to  
It's so refined as you are

It's like flying without wings  
Playing fiddle without strings  
And a million other things  
No one can do  
No, my hopes are slender  
In my secret heart I pray you'll surrender soon  
No, it's like reaching for the moon
