Just friends
Lovers no more
Just friends
But not like before
To think of what we've been
And not to kiss again
Seems like pretending
It isn't the ending
Two friends
Drifting apart
Two friends
But one broken heart
We loved we laughed we cried
Then suddenly love died
The story ends
And we're
Just friends
We loved we laughed and we cried
Then suddenly love died
The story ends
And we're
Just friends
