Mitchell Parish / Frank S. Perkins

We lived our little drama
We kissed in a field of white
And stars fell on Alabama last night
I can't forget the glamour
Your eyes held a tender light
And stars fell on Alabama last night

I never planned in my imagination
A situation so heavenly
A fairy land where no one else could enter
And in the center just you and me
My heart beat like a hammer
My arms wound around you tight
And stars fell on Alabama last night [repeat]
