Billie Holiday

I've been down so long  
That down don't worry me

I've been down so long  
That down don't worry me

I just sit and wonder  
Where can my good man be  
When it rains in here  
It's storming on the sea  
When it rains in here  
It's storming on the sea

Every time I come here  
Everything happens to me  
I lose my man  
I lose my head  
I lose my money  
Feel like I'm almost dead  
I need you honey  
Need you bad as can be

I've been down so long  
That down don't worry me
