Allan Roberts / Doris Fisher

It's that ole devil called love game  
Gets behind me and keeps giving me that shock again  
Put a ring in my eyes  
Tears in my dreams  
And rocks in my heart

It's that sly ole-sun-of-a-gun again  
He keeps telling me that I'm the lucky one again  
But I still have that ring  
Still have those tears  
And those rocks in my heart

Suppose I didn't stay and ran away  
Wouldn't play  
That devil-what a potion he would brew  
He'd follow me around  
Build me up, tear me down  
Till I'd be so bewildered  
I wouldn't know what to do

Might as well give up the fight again  
I know darn well he'll convince me  
That he's right again  
When he sings that siren song  
I just gotta tag along  
With that ole devil called love

He'd follow around  
Build me up, tear me down  
Till I'd be so bewildered I wouldn't know what to do
