[Lord Infamous]:

I'm on South Memphis cause I am the king of SPV
I'm on South Memphis, ask them niggas down on Victor
Street
I'm on South Memphis, just like ellas and a sofa plate
I'm on South Memphis like a razor and a saucer tray
I'm on South Memphis like some junkies at a carwash
I'm on South Memphis hit the southside strip at 2o'clock
I'm on South Memphis, always killin up at night and day
I'm on South Memphis cause I always got a bag of bay
I'm on South Memphis at the club going to Funkytown
That's when you got the pinky finger and your thumb
stuck out
I'm on South Memphis, yeah Funkytown, Chronic City
I'm on South Memphis cause I like my serve thick and
gritty
I'm on South Memphis, I still cash my checks at liquor
stores
I'm on South Memphis, found a home craving for ho-
hoes
I'm on South Memphis, my hair chopped at Mr. Wynn's
shop
I'm on South Memphis, must have problem with Lord
Infamous?
