Nobody's at the filling station
My heart is filling up with tears
All gets me funny invitations
The night is cold, the way is clear

I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go

I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go

I switch off noisy music station
The silence comes into my car
You were my dream and my creation
Though in my dream I went too far

I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go

I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go

You were my dream and my creation
Though in my dream I went too far

I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go

I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go

I don't want somebody else
I don't wanna play anymore
Give me just one more chance

Otherwise let me go
I don't want somebody else
I don't wanna play anymore
Give me just one more chance
Otherwise let me go
