Ty pryznajsya meni,
Zvidky v tebe ti chary,
Ya bez tebe vsi dni
U poloni pechali.
Mozhe, des" u lisax
Ty char-zillya shukala,
Sonce-rutu znajshla
I mene zcharuvala!

Chervonu rutu ne shukaj vechoramy Â—
Ty u mene yedyna, til'ky ty, povir.
Bo tvoya vroda to ye chystaya voda,
To ye bystraya voda synix hir.

Bachu ya tebe v snax,
U dibrovax zelenyx,
Po zabutyx stezhkax
Ty pryxodysh do mene.
I ne treba nesty
Meni kvitku nadiyi,
Bo davno uzhe ty
Uvijshla v moyi mriyi
