You forgave me, and tears have dried up, leaving a trail fate.
All that is cold, carries away the breath, and I'm coming for you.
Let people call me crazy,
I know that happiness - to love foolishly.

Chorus:
Hold me tight! Fire raging, love sincere!
Give your soul to warm up - you are my only and it is - the truth!
Your only see the light, forever long years!
Hold me tight! All that is greater than love, I do not ask, do not!

Oh, no!

All happiness is different, but for me one thing - next to be with you.
Breath of wind to touch your lips and one love.
Let people call me crazy,
I know that happiness - to love foolishly.

Chorus:
Hold me tight! Fire raging, love sincere!
Give your soul to warm up - you are my only and it is - the truth!
Your only see the light, forever long years!
Hold me tight! All that is greater than love, I do not ask, do not!

No, no. No, no. No, no.
There is no power above, there is a whale closer to me!
No, no. No, no.

Hold me tight! Fire raging, love sincere!
Give your soul to warm up -
you are my only and it is - the truth!
Your only see the light, forever long years!
Hold me tight! All that is greater than love, I do not ask!

Harder! Fire raging, love sincere!
Give your soul to warm up -
you are my only and it is - the truth!
Your only see the light, forever long years!
Hold me tight! All that is greater than love,
I do not ask, do not! Oh, no!
