There's been a killing
In the centre of town
In the blazing sunlight
Somebody was shot down

Here come the carabinieri
They come to get there man
They go about their business
Nobody say nothing

Nobody talks to the law
Nobody talks to the law around here

I heard he had it coming
They said he talked too much
Disrespect the family
You're gonna sleep with the fish
Nobody talk to the law
No matter what you saw
If you wanna keep walking
It's best you don't say nothing

Nobody talks to the law
Nobody talks to the law around here
Nobody talks to the law
Nobody talks

There's been a killing
In the centre of town
In the blazing sunlight
Somebody was shot down

Here come the carabinieri
They come to get there man
If you wanna keep walking
You better keep your mouth shut

Nobody talks to the law
Nobody talks to the law around here
Nobody talks to the law
Nobody talks

Nobody talks
Nobody talks
Nobody talks
Nobody
