You gotta walk that walk
You gotta talk that talk
You gotta be that pearl
In the diamond world
Come on and cut me so fast

Pirate Love
Is what you're looking for
Pirate Love
It's what I'm wanted for
I never needed it so bad

Well the crowd's runnin' cold
Ain't it?
And the mummies are praying
Little girls are always sayin' no
And the big girls always want more
Love...

Pirate Love
Is what you're looking for
Pirate Love
It's what I'm wanted for
I never needed it so bad
Hey, oh...

(guitar solo)

Well, I'm locked in all these battles
And everybody seems too cruel
I can't tell who's who
Without a bag of voodoo

Pirate Love
Is what you're looking for
Pirate Love
It's what I'm wanted for
I never needed it so fast

Fast
Fast

Yeeaaaahhhh heh
Pirate Love [x8]

Pirate Love
Is what you're looking for
Pirate Love
It's what I'm wanted for
I never needed it so bad... yeah heh
UH!
