You know it's only gonna get worse  
The more you fight, the more it's gonna hurt  
Let it happen, let it go  
Darling, everytime I leave your side  
I feel us falling apart  
Darling, your gleaming eyes are falling low everytime I  
see you cry so  
Get ready, get ready, get ready, it's not waiting for me  
Get ready, get ready, get ready

A change is coming, it's coming soon  
I know it's hard but I'll be back soon  
All is well and all is good but I know things could  
Be better, be better, so much better  
Darling, everytime I leave your side  
I feel us falling apart  
Darling, your gleaming eyes are falling low everytime I  
see you cry so  
Get ready, get ready, get ready, it's not waiting for me  
Get ready, get ready, get ready, it's not waiting for you  
Get ready, get ready, get ready, it's not waiting for me  
Get ready, get ready, get ready

Darling, everytime I leave your side  
I feel your breaking heart  
It's so delicate, it's so delicate, it's so delicate, it's so  
delicate  
I hear you say, I hear you say, I hear you say, I hear you  
say  
Everytime I see you, everytime I see you  
Everytime I see you, everytime I see

Get ready, get ready, get ready  
Get ready, get ready, get ready  
Get ready, get ready, get ready  
We've gotta, get ready, get ready, get ready  
Darling, everytime I leave your side  
I feel us falling apart  
Darling, your gleaming eyes are falling low everytime I  
see you cry  
Everytime I see you, everytime I see you cry
