I never meant to hurt you
I never thought I could
I'm running low, I'm empty
Now I need your love
You started slipping, watch the rubber falling down
Echoing on up, up in higher ground
You started looking over the edge and you say
Ah, you're doin' me
Ah, you're doin' me
Ah, you're doin' me
Ah, you're doin me

Now I start to freefall
Down this open mile
I'm not touching the sides
As I'm coming down
You started slipping, watch the rubber falling down
Echoing on up, up in higher ground
You started looking over the edge and you say
Ah, you're doin' me
Ah, you're doin' me
Ah, you're doin' me
Ah, you're doin me

You started slipping, watch the rubber falling down
Echoing on up, up in higher ground
You started looking over the edge and you say, you say
Ah, you're doin' me
Ah, you're doin' me
Ah, you're doin' me

Oh, you're doin' me
Oh, you're do... yeah
Let's keep on moving up, up to higher ground
Let's keep on moving, no babe, don't turn around
Let's keep on moving up, up to higher ground
Let's keep on moving, ah you're doin me
Ah, you're doin me
Ah, you're doin' me
Ah, you're doin' me
Yeah

Let's keep on moving up, up to higher ground
Let's keep on moving, no babe, don't turn around
Let's keep on moving up, up to higher ground
Let's keep on moving, ohh
