Why do you build me up,
(Build me up)
Buttercup, baby, just to let me down?
(Let me down)
And mess me around, yeah,
And worst of all,
(Worst of all)
You never call, baby,
When you say you will,
(Say you will)
I need you still, I need you,
(I need you)
More than anything darling,
More than I have from the start,
So build me up,
(Build me up)
Buttercup, don't break my heart.

You'll be over at ten,
You tell me time and again,
But you're late,
I wait around and then
I went to the door,
I can't take anymore,
It's not you,
Why do you treat me bad?
(Hey, hey, hey)

Baby baby, I try to find,
(Hey, hey, hey)
A little time where I don't make you mine,
(Hey, hey, hey)
I'll be home, waiting by the phone for you,
Oooh, oooh.

Why do you build me up,
(Build me up)
Buttercup, baby, just to let me down?
(Let me down)
And mess me around, yeah,
And worst of all,

(Worst of all)
You never call, baby,
When you say you will,
(Say you will)
I need you still, I need you,
(I need you)
More than anything darling,
More than I have from the start,
So build me up,
(Build me up)
Buttercup, don't break my heart.

You were a toy, but you could be the boy
I adore, if you just let me know,
I build you up too,
I'm attracted to you, more and more,
Oh, what more can I say?
(Hey, hey, hey)

Baby baby, I try to find,
(Hey, hey, hey)
A little time where I don't make you mine,
(Hey, hey, hey)
I'm alone, waiting by the phone for you,
Oooh, oooh.

Why do you build me up,
(Build me up)
Buttercup, baby, just to let me down?
(Let me down)
And mess me around, yeah,
And worst of all,
(Worst of all)
You never call, baby,
When you say you will,
(Say you will)
I need you still, I need you,
(I need you)
More than anything darling,
More than I have from the start,
So build me up,
(Build me up)
Buttercup, don't break my...

Why do you build me up,
