[Mr. Lil One (Talkin)]

The only thing guaranteed in life  
Is death

[Chorus]

All you mothafuckas know  
Show up lookin like the crow  
With paint up on your face  
And a double barrel  
Think I'm going gat ya  
Hear me when I ask ya  
Where the FUCK your from fool  
And then I fuckin blast ya  
[2x]

[Mr. Lil One]

Now 1 for the money  
2 for the snitches  
3 for my 6's  
And 4 for my witches  
Truth get's deleted  
And you're guaranteed to read it  
Or see it on the news  
While some body cries the blues  
Rainin many tears  
While I'm drinkin many beers  
Thinkin how I love  
That mothafucka ain't here  
Here the po-pos coming  
Time for me to dash  
Grab a hold of my rope  
Put it a stash  
Find me an area  
See you wanna burry ya  
All of this hysteria  
Is gettin a little scarier  
Mothafuckas know  
Show up looking like the crow  
With paint up on my face  
Gettin ready for the chase  
Catch another case

Bring the drama to your place  
And pay you back a visit  
Every single year

And show you who the fucks  
Runnin all of this here  
Mr. Lil One  
With a mothafuckin M-1

[Chorus]

[Mr. Lil One]  
Homicide carrols unloadin from these barrels  
"Mr. Rap Devil" still gots the bow and arrows  
Havok to the maggots  
Turn the Devil into a faggot  
And all you mothafuckas  
Wonder why I love to brag it  
Consequences fatal  
Only if you make em  
A bargain with a plea  
Give me 50 and I'll take em  
Add another 16 plus another 6 [666]  
If then maybe I won't be in the mix  
Droppin the bombs let's all come along  
If you wanna get ready to ride  
Not knowin the way-a
