Red and Yellow and Pink and Green Purple and  
Orange and Blue  
I can sing a rainbow  
(I can sing a rainbow)  
I can sing a rainbow too

Blue  
Blue, blue my world is blue  
Blue is my world now I'm without you

Gray  
Gray my life is gray  
Hole in my heart since you  
(Since you went away)  
Ah yeah  
Oh yeah

I can sing a rainbow  
(I can sing a rainbow)  
I can sing a rainbow

Red  
Red my eyes are red  
Crying for you alone in my bed

Green  
So green my jealous heart  
I doubted you and now  
Now we are apart  
Ah yeah  
Oh yeah  
When we met  
I've prouded some soul  
Then love died  
Now the rainbow

Rain

Black  
Oh black  
The nights I've known  
Longing for you

Lost and along  
God  
Oh God  
The jealous love for you  
Blue is my world  
Now I'm (hey) (hey) (I said hey)  
Now I am without you baby

Blue  
My world is blue baby  
I love you baby  
My world is blue baby  
I want you baby  
My world is blue baby  
I need you baby  
So blue  
I need you baby  
I want you baby
