Oh, oh, Lord  
All alone again  
You say it's been this way  
Since you don't know when

There are a lot of places  
A woman like you could go and see  
Why your man won't take you  
Is a mystery to me

Oh, I wish, how I wish  
It was me you loved  
Baby, I wish, how I wish  
It was me you loved

Honest to God  
Such a pretty thing  
All locked up in  
The crib by yourself

He comes home from work  
Just to eat and sleep  
He even make you promises  
He'll never keep

Yet you stand by him  
All faithful and can be  
Can't you see you'd be better off  
With a man like me

How I wish, how I wish  
It was me you loved  
Hey, how I wish, how I wish  
It was me you loved

He's running the streets at night  
(Chasing after every skirt)  
Chasing every skirt  
All along, doing his dirty dirt  
Oh, yes, he is

You're sitting home all alone

While your man  
He's out having fun

Oh  
(How I wish that it was me you loved)  
I wish you were mine  
How I wish, how I wish  
(How I wish that it was me you loved)

I want you by my side  
With every step I take  
I want you with me  
For the rest of my days

(How I wish that it was me you loved)  
How I wish it was me you loved  
How I wish, oh, I wish  
It was me you loved

(How I wish that it was me you loved)...  
I'll take you anywhere you wanna go...
