Long, long and lonely nights  
I cry my eyes out over you  
Wondering if I did right  
And why you left me  
With a broken heart

Oh, long, long and lonely nights  
Oh, how I miss you, my dear  
Please, please, come back to me  
How I wish you were here

As I go along my lonely way  
I visualize your face  
When I pass through my doorway  
What's left for me to face

Oh, long, long and lonely nights  
I guess you're never coming home  
Long, long and lonely nights  
Ever since you've been gone

As I go along my lonely way  
I visualize your face  
When I pass through my doorway  
What's left for me to face

Oh, long, long and lonely nights  
I guess you're never coming home  
Long, long and lonely nights  
Ever since you've been gone

Please, please, come back to me  
You've been gone too long
