I'm gonna open up my heart  
To the world this morning  
See if I can help a friend

I'm gonna pull back the shades  
Of my fear this morning  
And let the light of  
The world come in

Ever how much I'm down  
I'm gonna go  
I'm gonna go another round  
Try to bring somebody happiness

As I look about me, I can see  
All the blessings given to me

A baby boy  
A woman who loves me  
Oh, yeah

I'm gonna open up  
Open up my heart this morning  
And see if I can help a friend

I'm gonna give all my heart  
Make a new start  
In the world this morning  
See if I can help a friend

If they scorn me today  
Turn me away  
No matter what they say  
I'm gonna be just a friend

I'm gonna try it once more  
Knock on every door  
Of the world this morning  
See if I can be a friend

Right on, brother, right on

I'm gonna give, give up my heart  
I gotta make, I gotta make a  
New start in the world this morning

If they scorn me today  
Turn me away  
No matter what they say  
I'm gonna be her friend

Oh, I'm gonna try it  
Try it once more  
I gotta knock on  
Each and every door  
I gotta see if, I gotta  
See if I can be a friend

I gotta say it one more time  
I'm gonna give it all my heart  
I gotta make me a new start  
In the world this morning  
I gotta see, can I help a friend

If they scorn me, scorn me today  
Don't you dare turn me away  
I'm gonna be just a friend

Oh, I'm gonna try it  
Try it once more  
I gotta knock on  
Each and every door  
Of the world this morning  
I gotta see, I gotta  
See if I can be a friend

Everybody, sing with me  
I'm gotta give it all my heart  
You know we gotta make a new start  
In the world this morning  
I'm gonna find me  
I'm gonna find me a friend, oh

Scorn, scorn me today  
They cannot  
They can't turn me away  
I'm gonna be just a friend  
I wanna be your friend  
I wanna be your friend

I gotta try just one more  
You know I gotta knock on  
Each and every door

I wanna see if I can be your friend  
I wanna help somebody  
I wanna helpo everybody

I gotta give up my heart  
I wanna make  
I wanna make a new start  
Oh, in the world this morning
