Lately babe, I've been thinkin'  
How good it was when you were here  
And it ain't the wine that I've been drinkin'  
For once I feel my head is clear

But early this mornin' when I opened my eyes  
That old lonesome feelin' took me by surprise  
I guess, you meant more than I realized

The love we had stays on my mind  
The love we had stays on my mind

And pretty girl, I've been rememberin'  
The good times that we used to share  
My thoughts of you don't have an endin'  
And memories of you are everywhere

But why should I tell you? It's not your concern  
You win some, you lose some, I've lost and I've learned  
It's just that I'm so lonely with no place to turn  
And here at the end I'll find

The love we had stays on my mind

Girl, if you were nearer, if you had a mirror  
Maybe you could count my tears  
And if you were nearer, it would all be clearer  
How I wish that you were here  
How I wish that you were here  
How I wish that you were here

And baby girl, I was tired  
So I lay down to dream a while  
And lately I've been so uninspired  
Without the comfort of your smile

But I'm not complaining 'cause that's how it goes  
There's always some heartaches in this world I suppose  
But you can't imagine, nobody knows

The love we had stays on my mind  
The love we had stays on my mind

The love we had stays on my mind
