We're falling in love, my darling  
With all our heart and soul  
Let's put our love somewhere  
For the whole world to behold

A love like ours  
Must have a special place  
I've got the answer, baby  
Let's wear it on our face  
Let's wear it on our face

Love is bubbling over, baby  
Flowing everywhere  
Our hearts can't hold no more  
And it's got to go somewhere  
Whoa, yeah

A love like ours  
Must have a special place  
I've got the answer, baby  
Let's wear it on our face  
Let's wear it on our face

This love's got to go somewhere  
This love's got to go somewhere  
This love's got to go somewhere  
This love's got to go somewhere

Yeah, yeah, yeah...

I've got the answer  
Let's wear it on our face

A love like ours  
Got to go someplace  
Look at the answer, baby  
Let's wear it on our face

This love's got to go somewhere  
This love's got to go somewhere  
This love's got to go somewhere  
This love's got to go somewhere

Yeah, yeah, yeah, yeah...  
We've got the answer  
Let's wear it on our face  
Oh, yeah

A love like ours  
Got to go someplace  
Look at the answer, baby  
Let's wear it on our face  
Oh, yeah (on our face now, hey)

Yeah, yeah, yeah, yeah...  
We've got the answer  
Let's wear it on our face
