On my own,

Pretending he's beside me

All alone

I walk with him 'til morning

Without him , i feel his arms around me

And when i lose my way, i close my eyes and he has  
found me

In the rain,

The pavement shines like silver

All the lights are misty in the river

In the darkness, the trees are full of starlight

And all i see is him and me forever and forever

And I know it's only in my mind,

That i'm talking to myself ,

And not to him

And although,

I know that he is blind

Still i say, there's a way for us

I love him,

but when the night is over,

He's gone,

The river's just a river

Without him,

the world around me changes

The trees are bare and everywhere the streets are full  
of strangers

I love him,

but everyday i'm learnin'

All my life,

I've only been pretending

Without me

His world will go on turnin'

The world is full of happiness that I have never known

I love him...I love him...I love him but only on my own
