The road gets harder everyday  
We know what it means  
To need You more  
We've lost some friends along the way  
We hope they're better off now  
Than they were before

So save me  
offer Your mercy  
Take me  
Away from this pain  
Use me  
Lord for Your glory  
I can't exist without You  
No, I can't exist without You

Be down and broken in  
But all that we've lost as He let go  
So take my hand in yours my friend  
Cause we're gonna make it  
Through some how

So save me  
offer Your mercy  
Take me  
Away from this pain  
Use me  
Lord for Your glory  
I can't exist without You  
No, I can't exist without You

Save me  
offer Your mercy  
Take me  
Away from this pain  
Use me  
Lord for Your glory  
I can't exist without You

Save me  
offer Your mercy

Take me  
Away from this pain  
Use me  
Lord for Your glory  
I can't exist without You  
No, I can't exist without You  
No, I can't exist without You  
No, I can't exist without You  
No, I can't exist without You
