You turn away, you won't look at me
You seem to think that I just can't see
I was hopin' he was out of your heart
But he's still calling you
Now, he's back and I'm blue

I forgot about yesterday
Those memories seem so far away
All it took was just a whisper to start
Flame burning anew
Now, he's back and I'm blue

Ooh, that old feelin'
Fillin' up your dreams again
Ooh, it comes stealin'
Takin' you away

I guess, there's nothing left for me to do
I can't stop it from livin' in you
'Cause the past can only pull us apart
Still you carry it through
Now, he's back and I'm blue

Ooh, that old feelin'
Fillin' up your dreams again
Ooh, it comes stealin'
Takin' you away

You turn away, you won't look at me
You seem to think that I just can't see
I was hopin' he was out of your heart
But he's still calling you
Now, he's back and I'm blue

Now, he's back and I'm blue
Now, he's back and I'm blue
