Can you hear me whispering in your ear?  
Can you feel me moving my hands up to your face  
where I can touch your cheeks so sweet,  
and dream about the future, as I close in on your lips?  
The sweetness of the kiss,  
it's enough to bring me back to save the day.  
Why don't we say good-bye to the past 3 years of my  
life?  
Why don't we say good-bye to the past 3 years, angel  
in disguise?

Can you hear me as we talk about tea?  
Can you feel me as I bring you closer to me?  
So you can feel my heart beat in your chest?  
We dream about the future as I close in on your lips.  
The sweetness of this kiss, it's enough to brings us  
back to save the day.  
Why don't we say good-bye to the past 3 years of my  
life?  
Why don't we say good-bye to the past 3 years, angel  
in disguise?

And if I ever felt I'd do this all over  
(you bet your heart shape around me)  
Touching your lips to mine, it's enough to bring me  
back.  
Why don't we say good-bye to the past 3 years of my  
life?  
Why don't we say good-bye to the past 3 years, angel  
in disguise?  
Why don't we say good-bye (good-bye) to the past 3  
years of my life?  
Why don't we say good-bye (good-bye) to the past 3  
years, angel in disguise?
