"Christmas Star"

Christmas Star, you spin your strands of silver.

What a sight to see, are you there to guide me?

Star light, shine bright.

See me through the dark night.

Light mine, half way;

Guide me home for Christmas Day.

Midnight stars, they sail the sky in silence.

Hearing all they see, are they hearing me?

Christmas Star, you watch the world so wisely;

At my journey's end, will you be my true friend?

Star light, shine bright.

See me through the dark night.

Light mine, half way;

Guide me home for Christmas Day.

Christmas Star light,

See me on my way.

Light mine, half way;

Guide me home for Christmas Day.
