If you want to tickle me on the knee,
Do as you please, but you should know I'm ticklish
If you want to hold my hand, go right ahead
But please be prepared, because I perspire
How embarrassing, it's our first date
When I look in your eyes, I can't concentrate
When you smile
I realize little imperfections I want to memorize
Don't hide
Would you like it if IÃ¢â€Œ?
Would you like to kiss?
Well maybe I might
You look really pretty in the light
And if you let me I'll feed my appetite
Chorus:
I told you so
I think you knew I'd fall for you
I told you so
You have a hold on everything I do
You look really pretty in the light
And if you let me I'll feed my appetite
(Chorus)
