We're climbing mountains made of wool  
We're racing edelweiss against an ivory moon  
We fly so high  
Nightingale, black wing  
We swim ten thousand leagues under the sea

When I wake up I want to go back to sleep  
Cuz I wake up and you're not next to me  
Oh, and dreams are so deceiving  
But I want to keep believing  
That you'll be beside me sleeping when I wake  
When I wake

Cast off into the glow, we sail the tide  
A carnival of carousels  
A mirror maze, we hide  
We chase after graveyard deserts in search of our  
bones  
Kept inside a sacred tomb  
You'll never let me go

When I wake up I want to go back to sleep  
Cuz I wake up and you're not next to me  
Oh, and dreams are so deceiving  
But I have to stop believing  
That you'll be beside me sleeping when I wake

Eyes wide open  
I am frozen  
Like a demon crushing my chest  
You're the reason I can't get out of bed

When I wake up I want to go back to sleep

When I wake up I want to go back to sleep  
Cuz I wake up and you're not next to me  
Oh, and dreams are so deceiving  
But it hurts to stop believing  
That you'll be beside me sleeping when I wake

When I wake  
(Didn't you tell me that you'd never, ever leave me

alone?)  
When I wake  
(Didn't you tell me that you'd never, ever leave me  
alone?)  
When I wake  
(Didn't you tell me that you'd never, ever leave me  
alone?)  
When I wake  
(Didn't you tell me?)
