You've got nothing to show for  
The plans that you made for your life  
And you can't take the tears back  
You sweat out while you tried to make it by

Praying that someday you'll see the light  
Praying you can get some sleep tonight  
Looking for the other side of green  
Looking for the end to justify those means

You don't have to be alone anymore  
Can't you feel me knocking down your door?  
Don't you think you've had enough?  
Quit acting so  
You don't have to be alone anymore

You've got nothing to show for  
The plans that you made for your life  
And the knots just get tighter  
The harder you try to untie

Clutching at the surface for some air  
But the harder you kick the quicksand sucks you there  
Laying down beside despair  
I've got something you need to hear

You don't have to be alone anymore  
Can't you feel me knocking down your door?  
Don't you think you've had enough?  
Quit acting so  
You don't have to be alone anymore

The only failure would be to quit  
Brush it off  
Learn from it  
(Oh)  
Feel me at your door  
(Oh)  
I'll be the light in the dark  
(Oh)  
Deep down inside of your heart  
You know

You know

You don't have to be alone anymore  
(Have to be alone)  
Can't you feel me knocking down your door?  
(Feel me at your door)  
Don't you think you've had enough?  
Quit acting so  
You don't have to be alone anymore  
You don't have to be alone anymore  
You don't have to be alone anymore  
You don't  
You don't  
You don't have to be alone anymore
