What you hold dear is a false account
what you hold dear offers no salvation(salvation)
trust in that I'm not right for this(for this)
know that I'm not the one to hold you up(hold you up)
I can't hold you, I can't hold you

Dead throne (dead throne), we've put the world up onto
a dead throne
Dead throne (dead throne), we've put the world up onto
a dead throne

she will slip...slip away, you will see your downfall
Dead throne (dead throne), we've put the world up onto
a dead throne
Dead Throne, we've put the world up onto a dead
throne

I am guilty, I have fallen: there are things that have
come between you and me
I'm so sorry (I'm so sorry): let all be put to shame who
serve carved images

We've put the world on a dead throne
We've put the world on a dead throne
